WHO ARE WE?

The Kyle Lake Foundation exists to equip Christians to make the presence and message of Christ both real and meaningful in an ever-changing world. The Foundation was established with its 501(c)3 designation in March 2007 in memory of the former pastor in Waco, Texas. The author of two books, *Understanding God's Will* and *(RE) Understanding Prayer*, Kyle Lake impacted thousands for Christ with his Christ-centered life, contagious personality, and effective communication style. Kyle died tragically on a Homecoming Sunday as the result of electrocution while preparing to baptize a former Baylor University student. Hundreds of volunteers and donors work faithfully to continue the focus of Kyle's ministry and honor his memory. Since inception, the Foundation has awarded at least 119 scholarships, been instrumental in planting at least 20 churches, and donated 59 defibrillators to churches and non-profit organizations
